-----  
We will be shipping from August 17th through November 24th. Orders will be shipped as they are received. We ship to continental US ONLY (sorry, no Alaska or Hawaii). Orders must be received by Nov 10th to be included for 2009 shipping.

For orders over 1,000 cloves- call or email for availability and shipping charges (best times to call are mornings: 6 am to 7:30 am or evenings: 7:30 pm to 8:30 pm.). If you use email, please include your zipcode and the number of lots being ordered in your email. Email only, please, for all other communications. Please understand that we are a family farm and are not equipped to handle a lot of phone inquiries. We will try and answer email questions in timely manner.

We try, in every way possible, to make sure our garlic is of the highest quality and we have over 15 years of satisfied customers to make us believe that we achieve that goal. If you are not satisfied with the product you receive, you have up to 10 days from the date it is delivered to you to notify us. We cannot accept returns after 10 days. We want our customers to be satisfied with our product - so please email us with any issues or questions you have.

We use our own planting stock on our farm so we know it produces - but since we have no way of determining the conditions in your area or how your garlic is grown, we cannot guarantee the yield or how it will grow in your farms or gardens.
